DESCRIPTION

The wraparound RUSH+ Small was specifically designed for narrow faces. Light and with a wide field of view, this model offers a perfect optical quality and unique comfort in all situations.

PLATINUM® (+P) ASAF Coating

Permanent coating on both sides of the lens gives them a high resistance to scratching, and delays the onset of fogging. Certified K & N (EN166) PLATINUM® resists to the most aggressive chemicals.

CSP

This innovating coating is an effective solution for all activities that alternate exposure to bright light and low light, while also being suitable for extreme hot and cold temperature environments.
