Bollé Safety Letters of Compliance available upon request.

### TECHNOLOGIES

ESP combines the advantages of clear and tinted lenses into a single lens. It reduces glare when passing from a shaded area to a bright area and very efficiently filters blue light. Ideal for people frequently moving between indoor and outdoor areas.

### PROP 65

**WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

### CLEANING AND STORAGE

**CLEANING:** The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

**MAINTENANCE:** Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfiber pouch or rigid case.

**STORAGE:** All products must be stored in a dry and clean environment.
