

ELECTRO

COMFORT & CLARITY

Designed for MIG/MAG, TIG, and grinding, ELECTRO is the ideal multipurpose welding helmet for professionals seeking durability, comfort, and a wide field of vision. Equipped with a large True Color auto-darkening filter, it delivers great visual clarity, while its 5-point premium headgear ensures a secure and ergonomic fit. Combining outstanding optical performance with enhanced comfort, ELECTRO sets a new standard in the welding helmet range.

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the glasses or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
