

STKS 420

LOOK SHARP ON SITE

Stay sharp and protected with STKS safety glasses, the ultimate blend of style and high-performance eye protection. Engineered by Bollé Safety, these sleek frames are made to keep up with you and your crew — on site and beyond. Available in two sizes, STKS delivers a comfortable, secure fit for a wider range of face shapes and sizes. Certified for serious protection and built for all-day comfort, it combines cutting-edge technologies with a robust design for durability that won't quit. The modern frame delivers a sharp, athletic look while keeping your vision clear and your eyes safe. Need prescription lenses? STKS is also available in prescription to keep you looking on point with sharp vision, no matter where the job takes you.

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
