

UNIVERSAL

ADAPTABLE & INNOVATIVE

The Universal Goggle provides optimum protection and comfort in all circumstances thanks to its ergonomic design. This innovative goggle with its exclusive Platinum coating is available in several versions, each adapted to a specific work environment to offer more peace of mind and efficiency for the worker. Equipped with 'Wave' technology, the Universal Goggle adapts perfectly to each user's unique face shape, eliminating gaps without increasing pressure points, thus guaranteeing superior protection without compromising the user's comfort.

CLEANING & STORAGE

CLEANING : The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE : Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfiber pouch or rigid case.

STORAGE : All products must be stored in a dry and clean environment.
