STANDARD	UPPER SEAL	SEALED	ECONOMICAL	PRESCRIPTION

The RUSH+ 2.0, our iconic model, is designed to withstand the harshest work environments, making it a trusted choice for all professionals. RUSH+ 2.0 DUO is specially engineered with unique lens technologies that give workers an edge over their duties. Platinum coated, with polarized, photochromatic or corrective lenses, RUSH+ 2.0 DUO ensures an optimal vision in all situations. Recognised for its comfortable wear, RUSH+ 2.0 DUO ensures a great fit by reducing pressure points with its wide opening hinges . The frame is also made with 20% of recycled materials to reduce its carbon footprint.

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
