FORGE XP

PROTECTION & SECURE FIT

FORGE XP is designed for demanding environments where enhanced protection is essential. Featuring a replaceable foam seal and strap, it helps reduce the intrusion of dust and particles while ensuring a secure fit during movement. Its base 6 design increases coverage, while bi-material temples deliver lasting comfort. Available in two sizes to suit a variety of face shapes, FORGE XP combines advanced protection, comfort and wearability in one versatile solution.

SUPPLIED WITH : RX KIT (Hard case, Microfiber cloth, user instruction)

- **BASE 6: PROVIDES INCREASED COVERAGE AND PROTECTION**
- **ENHANCED PROTECTION & SUPPORT: REPLACEABLE FOAM SEAL & STRAP**
- **BI-MATERIAL TEMPLES FOR BETTER COMFORT**

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
