## MULTI-USE

## AUTOCLAVABLE

Experience unmatched protection and comfort with ELITE, our premium range of multi-use autoclavable goggles. Designed for sensitive and sterile environments, these goggles feature an extra-wide panoramic view and ultra-soft thermoplastic rubber frames for a secure and comfortable fit. The exclusive PLATINUM coating ensures superior anti-fog and anti-scratch protection on both sides of the lenses, providing crystal-clear vision even in demanding conditions. Built to withstand high temperatures, these goggles maintain their durability and functionality after several autoclaving cycles. With over-glasses compatibility for enhanced vision and safety, as well as an adjustable isoprene strap for easy cleaning and maintenance, ELITE goggles are the ultimate choice for cleanroom operators seeking reliable and premium eye protection.
