

BAXTER

COMFORT AND INGENUITY

BAXTER, an alternative to the TRACKER model, offers total comfort thanks to its extreme wrap-around frame. With waterproof foam and an ingenious system for attaching the strap, BAXTER offers effective protection from sprays of solids and liquids, and from dust. BAXTER is also available in the RX range.

LENS MARKING

- **Crown** = Manufacturer Mark
- **Z87+** = Impact rated for Plano product - tested and approved to ANSI Z81.1-2015
- **Lens type**
 - Clear = none
 - Welding = W and Shade number from 1,3 to 14
 - UV filter = U and scale number from 2 to 6
 - Visible light filter = L and scale number from 1,3 to 10
 - IR filter = R and scale number from 1n3 to 10
 - Variable tint = V
 - Special purpose = S

FRAME MARKING

- **Crown** = Manufacturer Mark
- **Z87+** = Impact rated for Plano product - tested and approved to ANSI Z81.1-2015
- **Country of origin** = China

ANSI: guaranteed minimum resistance of the protective eyewear against everyday risks including dropping the protective eyewear onto the ground, ageing by light exposure, exposure to heat or corrosion etc.

Maximum protection for glasses. Use for high speed particles at extreme temperatures.

Bollé Safety product approval certificates to ANSI standards will be sent on request.

 **WARNING:** Reproductive Harm – www.P65Warnings.ca.gov

TECHNOLOGY

CSP

This innovating coating is an effective solution for all activities that alternate exposure to bright light and low light, while also being suitable for extreme hot and cold temperature environments.

CSP is also combined with the exclusive PLATINUM® coating that sustainably combats fogging.

PLATINUM

The new exclusive scratch and fog resistant coating PLATINUM® guarantees even more safety, reliability and comfort. Washable (water and soap), this permanent coating applied on both sides of the lens makes it highly scratch resistant and durably delays the appearance of fogging.

CLEANING AND STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the glasses or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
