

BAXTER RX

COMFORT AND INGENUITY

BAXTER RX, the alternative to the TWISTER model, offers total comfort thanks to its highly wrap-around frame. With its waterproof foam and ingenious system for attaching the strap, BAXTER RX offers effective protection from sprays of solids and liquids, and from dust. CR39 and Polycarbonate lenses available.

F. Low energy impact, resists a 6 mm, 0.86 g ball at 45 m/s
Maximum protection for glasses.

CE European standard Manufacturer name

Bollé Safety product approval certificates to CE standards will be sent on request.

CLEANING AND STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
